LIME LAUNCHES iPHONE 4 IN THE CARIBBEAN

Cable & Wireless Communications' Caribbean business has launched the iPhone 4 with a range of tariff plans tailored for iPhone customers. The handset is available in all the company's LIME-branded markets.

iPhone 4 is the most innovative phone in the world, featuring Apple's stunning Retina display, the highest resolution display ever built into a phone resulting in super crisp text, images and video, and FaceTime, which makes video calling a reality.

iPhone 4 is powered by Apple's A4 chip and features a 5 megapixel camera with LED flash, HD video recording and a beautiful glass and stainless steel design like no other mobile phone. iPhone 4 comes with iOS 4, the world's most advanced mobile operating system. The revolutionary App Store provides access to more than 425,000 apps including the iMovie app built just for iPhone 4.

David Shaw, LIME's Chief Executive Officer, said:

"We are delighted to offer our customers in the Caribbean iPhone 4, one of the most sought after wireless devices in the world. LIME is leading the way in innovation and we're proud to be at the forefront of technology with our reliable network, flexible price plans and invaluable customer service."
